Nuts, Mike shouldn't be here. It has been a sad run and already months and years are gone. But Mike has a wonderful future ahead. He has a promise of life again, a resurrection promise from God himself. It's not shrouded in code or words we find hard to understand. John 5:28&29; says that all those in memorial tombs and graves will come out to life again with us. Resurrection was demonstrated by Jesus, with Lazarus. Jesus called and he came out just like Mike will. It will be a wonderful day to enjoy Mike again.
