## Memories of Sarah

# Condolences

**Jim m** / 22 Sep 2020

Sarah has a wonderful future ahead that includes us. But for moment please accept my condolences. That future is a guarantee of resurrection. In God's word the Bible, in the book of John, it states that all those in memorial tombs and graves will come out to life again. Like Lazarus, Sarah will be back with us. But she won't be old, ill, instead she will enjoy life as never before. The kingdom we pray for will be ruling and the earth and its inhabitants will live as it was intended to be. True peace and security, a wonderful future indeed.
