Delores prayed the Lord's Prayer many times. The kingdom she prayed for many times will play a role in her life she did not expect. Delores has a guarantee of resurrection to life with us again. She will be like Lazarus, she is sleeping in death and will be woke up to life here. John 5:28&29; says this: all those in memorial tombs and graves will come out to life again here with us. We will enjoy her as never before because we will be with her forever. It will be wonderful to see Delores again.

What a marvelous event the earthly resurrection will be! It will be a time of irrepressible joy when families broken apart by death will be reunited! Jesus promises that those in the memorial tombs will come out (John 5:28,29). In harmony with God's original purpose, those resurrected will have the opportunity to live on a paradise earth (Luke 23:43). This promised future includes perfect health and everlasting life. The Bible says: "The righteous will possess the earth, and they will live forever on it".
Psalm 37:29
