Michael's loss is still grieved by many and this pain will only be relieved when we see him again. Please take comfort from Jehovah God's guarantee recorded at John 5:28&29; where it says that all those in memorial tombs and graves will come out to life again here with us. Later in the book of John at chapter 11, the account of Lazarus is recorded. Like Michael, Lazarus was asleep in deep and Jesus handled that situation by calling Lazarus back to life and into the arms of his loved ones. It will be the same for Michael only better. He will wake under the rule of God's kingdom where he will never taste death again. We will enjoy him again and hear him laugh, play instruments and have a wonderful future. It will be so good to see him again.
