Charlie is going to wake up to a wonderful situation. God's promise is this: all those in memorial tombs and graves will come out to life again with us, John 5:28&29; records those words of Jesus. We have prayed the Lord's Prayer many times asking for God's kingdom to come and his will be done here on the earth as it is in heaven. Charlie being resurrected is part of that will, furthermore, under Jehovah 's rule, pain, sickness and death will be no more, Revelation 21:3&4. Charlie will never have to part from us again. What a wonderful day that will be.
