My heartfelt condolences for your loss. May the God who comforts all who mourn help to sustain you during this most difficult time, as you await the fulfillment of Gods promise to be reunited with your loved one again (John 6:40)

Edward will be missed by everyone who knew and loved him. I do have comfort that is real and meaningful to offer. Because the words are not my words but those of the most high God himself. In his word the Bible it clearly states death is a sleep-like condition. In Ecclesiastes 9:5it says that Edward isn't even aware of time passing. Jesus referred to Lazarus as sleeping in the book of John after he died. So what is Edward's future? All those in the grave will come out to life again. A fundamental part of the rule of God's Kingdom is that the resurrection of mankind will take place here on earth. Edward will not be sick, in fear nor want. He will be part of the society on earth that will see God's original purpose for mankind fulfilled!
