James has been gone two years. Time has slipped away but it is never too late to offer comfort. What great joy it will be to welcome James back to life here with us. James has a resurrection guarantee from God himself. Like Lazarus in the book of John, he will return to life. Not to some far away place, but to loved ones here on the earth. Our compassionate God has also promised to wipe every tear, pain, and death itself (Revelation 21:3,4). We will enjoy James, and the rest of our loved ones forever! It's God's guarantee!
