Marcus has a wonderful future ahead. It will involve us. Because we will welcome him back to life here with us . He has a guarantee from Jehovah God himself, written in his word the Bible. Look at what it says: all those in memorial tombs and graves will come out to life again, John 5:28&29;. Since it refers to tombs and graves, which are not in heaven, it is referring to earth. Also an example of resurrection is also found in the book of John 11:38-44 where Lazarus is called back to life. So our dear Marcus will also open his eyes and enjoy life again. Under the rule of God's kingdom we will never have to lose our loved ones again. What a wonderful day that will be.
